

ALFIN ALMUSTAJAB

Front-End Developer | IT Support | Digital Marketing & AI Enthusiast

kangalfin95@gmail.com | [LinkedIn](#) | [GitHub](#)

PROFESSIONAL SUMMARY

Front-End Developer and IT Support at PT. Digital Teknologi Perkasa, with hands-on experience building and maintaining modern web applications using Vue.js and Nuxt.js, alongside database integration with Supabase and MariaDB/MySQL. Also active as part of the Digital Marketing team for Pesantren Smart Digital (PSD), a digital management platform for Islamic boarding schools. Brings a unique cross-disciplinary background from a Sharia Banking degree combined with a year of intensive, self-driven growth in software development, IT support, and digital marketing since mid-2025. Certified in Digital Marketing through a RevoU bootcamp, with growing expertise in AI-powered application integration such as chatbots and retrieval-augmented generation (RAG).

WORK EXPERIENCE

PT. Digital Teknologi Perkasa

Jun 2025 - Present

Front-End Developer & IT Support | Indonesia

PT. Digital Teknologi Perkasa is a digital technology company whose flagship product is Pesantren Smart Digital (PSD), a digital management platform for Islamic boarding schools (pesantren).

- Developed and maintained responsive front-end interfaces using Vue.js, Nuxt.js (SSR), and Tailwind CSS for the company's digital products.
- Built and integrated back-end services using Nitro (Nuxt) and Slim 3 (PHP), connecting to Supabase and MySQL/MariaDB (via XAMPP) databases.
- Handled IT Support responsibilities, including troubleshooting internal systems and supporting day-to-day technical operations.
- Contributed to WordPress-based CMS projects for company and client websites.
- Explored and applied AI application integration, including chatbot development, Retrieval-Augmented Generation (RAG), and API integration with Gemini and OpenRouter.

Pesantren Smart Digital (PSD)

Jun 2025 - Present

Digital Marketing Team Member | Indonesia

PSD is the flagship product of PT. Digital Teknologi Perkasa, a digital management platform built for Islamic boarding schools (pesantren) across Indonesia.

- Supported digital marketing initiatives to promote PSD to partner pesantren, applying concepts learned from a Digital Marketing bootcamp.
- Assisted in analyzing marketing and survey data to help shape outreach strategy for prospective pesantren partners.
- Collaborated cross-functionally with the development team to align marketing messaging with product features.

EDUCATION

Universitas Ma'arif Lampung

Graduated April 2025

Bachelor of Economics (S.E.) - Sharia Banking Study Program

- GPA: 3.75 / 4.00
- Cross-disciplinary transition: despite an economics and banking background, independently learned and mastered web development, IT support, and digital marketing over the past year.
